

Philips Performer
Compact
Vacuum cleaner with bag

AirflowMax technology
TriActive nozzle
Hard floors nozzle

FC8373/09

Full performance. Easy to use

With AirflowMax technology and TriActive nozzle

The new Philips Performer Compact vacuum cleaner delivers top cleaning performance with minimum effort. AirflowMax technology keeps the suction power stronger for longer. The TriActive nozzle removes dust efficiently on all floors.

Remarkable cleaning results

- Energy efficiency class A
- Revolutionary AirflowMax technology for strong suction power
- The TriActive nozzle applies 3 cleaning actions in one go
- A-class performance on hard floors

Effortless cleaning

- On-board accessories for ultimate convenience
- ActiveLock couplings to easily adjust to each cleaning task
- Compact and light for effortless cleaning and easy storage

Clean air filter system

- Super Clean Air filter for dust-free, healthy air
- S-bag Classic Long Performance lasts up to 50% longer

PHILIPS

Highlights

Energy efficiency class A

This vacuum cleaner is engineered to achieve full performance with an energy efficiency class A.

AirflowMax technology

The unique AirflowMax technology keeps the suction power stronger for longer* to use the bag to the very end. The technology is built around the optimization of three key elements: 1) Unique ribs profile inside the dust chamber to maximize airflow around the dustbag and enable the use of the entire bag surface. 2) Specially designed dust chamber capacity that allows the dustbag to fully unfold uniformly. 3) High quality, non-clogging fibre structures in the dustbag absorb dust without blocking the pores, thus avoiding a reduction in suction power.

TriActive nozzle

The TriActive nozzle applies 3 cleaning actions in one go: 1) It gently opens the carpet with its specially designed soleplate to remove the dust deep down. 2) It sucks up big bits with its larger opening at the front. 3) It picks up the dust and dirt closely alongside furniture and walls with its left and right side air channels.

A-class on hard floors

This product achieves the highest cleaning performance class on hard floors. 100% of dust is picked up!

On-board accessories

The vacuum cleaner is designed with integrated accessories, so that you do not

need to carry extra pieces around while you clean. The crevice tool is stored in the canister, and a soft dusting brush is conveniently integrated in the handle of the appliance, always ready to use.

ActiveLock couplings

The ActiveLock couplings allow you to easily connect and disconnect the different nozzles and accessories from the telescopic tube while cleaning.

Compact and lightweight

Thanks to its small size, the appliance can be easily stored, saving valuable space. The light weight makes it easy to carry around.

Specifications

Performance

- Energy efficiency rating: A
- Annual energy consumption: 27.5 kW h
- Carpet cleaning class: D
- Hard floor cleaning class: A
- Dust re-emission class: C
- Sound power level: 81 dB
- Input power (IEC): 750 W
- Vacuum (max): 17,5 kPa

Design

- Color: Sporty red

Filtration

- Dust capacity: 3 l
- Dust bag type: s-bag Classic Long Performance
- Exhaust filter: Super Clean Air filter
- Motor filter: 1 layer foam filter

Usability

- Action radius: 8 m

- Cord length: 5 m
- Tube type: Metal 2-piece telescopic tube
- Tube coupling: ActiveLock
- Wheel type: Rubber
- Carrying handle: Front

Nozzles and accessories

- Standard nozzle: TriActive nozzle
- Additional nozzle: Hard floor nozzle
- Accessories included: Crevice tool, Integrated brush

Sustainability

- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

Weight and dimensions

- Weight of product: 4.2 kg
- Dimensions of product (LxWxH): 400 x 251 x 282 mm

Issue date 2015-11-10

Version: 11.5.1
