

## Vostro 14 5000 Series

Ultra-portable and Business-ready

### Ultimate Mobile Productivity.

Get the attention you deserve with the new Vostro 14 5000 Series ultra-sleek 14" laptop. With faster performance, touch screen option, and the essential security and support you need to keep you on the winning path.

The Vostro 14 is powered by energy efficient 4th and 5th generation Intel® processors with up to Core™ i7 performance and 2GB<sup>1</sup> discrete graphics from NVIDIA®, delivering the productivity you need in one compact package.

At less than 19 mm thin and weighs starting at 1.53 kg<sup>2</sup>, the Vostro 14 can fit easily into your Dell carrying case and go wherever your business takes you.

Encased in beautiful brushed-aluminum cover in graphite silver or fire red finish and the cool-to-touch aluminum palm rest for a touch of style.

### Features that help you get more done.

Boot up in seconds with a 128GB solid-state hard drive or opt for 1TB of hard drive for all your important data<sup>3</sup>. Plus the fluid touch experience with the 14" HD TruLife touch display.

2.1 stereo sound enhanced with Waves® MaxxVoice audio solution reduces background noise and boosts audio clarity for a productive conference call.

All the essentials you need to get you connected conveniently with three USB 3.0 ports including Powershare feature, plus HDMI port for connection to all your digital devices and peripherals.

You can type comfortably on the premium chiclet keyboard or navigate precisely with the large multi-touch gesture touch pad.

Built-in fingerprint reader provides added layer of

security keeping unwanted users out of your business<sup>4</sup>. And feel confident that your data and your system is well-protected against malware and cyber threats with preloaded security software solutions.

### Dependable service and support.

The Vostro 14 offers a suite of service and support solutions to help minimize your downtime including self-help support that can be conveniently and easily access right from your desktop.

Your investment comes with world-class warranty and optional Next-Business-Day onsite Service after Remote Diagnosis<sup>5</sup> to help you get right back to work with minimal downtime.

Choose optional Dell ProSupport for 24x7<sup>6</sup> direct telephone access to advanced-level technicians based in your region. Whether you have one office or hundreds around the world, protect your investments with this simple yet flexible approach.

My Dell is an easy-to-use support tool that provides advice, alerts you about issues before they happen, and tools to fix them if they arise. You can also access Dell support, warranty information and services to help you save time and reduce hassle.

### Simply do more with Dell peripherals.

Complete your Vostro 14 5000 Series laptop with essential accessories to maximize performance. Keep your laptop protected with a durable backpack or slipcase. Maximize your in-office productivity with an external optical drive and portable backup hard drive. For added security, consider adding a Dell Entry Lock to secure your Vostro to your office desk or any fixed structure.

## Vostro 14 5000 Series

Thin, Light, and Ready to Impress

### Beautiful and powerful

Get the attention you deserve with the new Vostro 14 5000 Series ultra-sleek 14" laptop. With faster performance, touch screen option, and the essential security and support you need for work and play.

### Important Information:

<sup>1</sup>Based on testing using the Mobile Mark 2012 battery life benchmark test performed by ODM and Dell Labs in November 2014. Testing configuration is based on Intel 5th generation Core i5-5200U, 500GB HDD, 4 GB system memory with 2GB NVIDIA Geforce 830M discrete graphics powered by a 3-cell 51Whr battery. For more information about this benchmark test, visit [www.bapco.com](http://www.bapco.com). Test results should be used only to compare one product with another and are not a guarantee you will experience the same battery life. Battery life may be significantly less than the test results and varies depending on your product's configuration, software, usage, operating conditions, power management settings and other factors. Maximum battery life will decrease with time and use.

<sup>2</sup>Notebook Weights: Weights vary with configuration and manufacturing variability.

<sup>3</sup>Notebooks with 4GB or Greater System Memory Capability: A 64-bit operating system is required to support 4GB or more of system memory. GB means 1 billion bytes and TB equals 1 trillion bytes; Actual capacity varies with preloaded material and operating environment and will be less.

<sup>4</sup>Graphics & System Memory: Significant system memory may be used to support graphics, depending on system memory size and other factors

<sup>5</sup>Fingerprint reader feature is supported with Windows 8.1 OS. Activation is required to use this feature.

<sup>6</sup>Ltd Hardware Warranty: For copy of Ltd Hardware Warranty, write Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see [www.dell.com/warranty](http://www.dell.com/warranty).

<sup>7</sup>ProSupport: Availability and terms of Dell Services vary by region. For more information, visit [www.dell.com/servicesdescriptions](http://www.dell.com/servicesdescriptions).

Offer varies by country. Features and specifications subject to change without notice.
