Gaming Headset

## COMFORTABLE GAMING AUDIO AND COMMUNICATIONS, SIMPLIFIED.

G231 Stereo Gaming Headset works with Xbox One, Playstation 4, and PC and delivers high-quality stereo audio in a lightweight design. Crisp, clear chat comes from an unidirectional mic that folds away when not in use. And in-line volume and mute controls are in easy reach on the 2-meter cable. The sports performance cloth ear cups mean a soft, comfortable fit even after hours of use. They slip off easily for washing to keep the headset in top shape.
