

WU515TST Powerful short throw solution

- Ultra bright WUXGA projector 5500 ANSI lumens
- Short throw lens 100" image from less than two metres away
- Vertical and horizontal lens shift
- Four corner geometric projection

The WU515TST short throw projector produces better than full HD quality images for sharper, clearer images and presentations. This professional installation projector boasts a brightness of 5500 lumens and features multiple digital connection options, with two HDMI inputs, DisplayPort and HDBaseT™. For more complex installations, this projector is equipped with lens shift and built-in four corner geometric adjustment, ensuring the image is exactly where it is meant to be even on uneven walls and when projector placement is awkward.

Specifications
