

Key Features

Power-over-Ethernet (PoE) | Interactive On-demand Messaging | Integrated USB Multimedia Player | Content Management Software | Easy LAN control

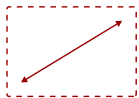

Product Description

Who says small can't be big news? Sized just right for grabbing attention on walls, shelves, desks, or other space-constrained spots, the ViewSonic® EP1042T 10.1" all-in-one interactive digital ePoster is headline-worthy. Ideal as interactive signage for conference and meeting rooms, information kiosks and other on-demand messaging, this display makes it easier than ever to engage your audience with inviting interaction. Filled with user-friendly features like Signage Manager Express software, Power over Ethernet one-wire installation – and so much more – it makes loading, playing and managing content easy and reliable.
