

EASY COMMUNICATION

PC 7 USB

PC 7 USB

Just plug it in to your computer and start talking over the net: the affordable PC 7 USB features super-easy USB plug and play. Ideal for families, this headset's single-sided wearing style lets you continue to be part of your home surroundings while skyping.

Renowned Sennheiser sound combines with the noise canceling microphone to ensure every word is clearly heard.

Benefits and Features:

- Value for money - excellent sound clarity and durability at an affordable price
- Noise canceling clarity – thanks to the noise canceling microphone, your voice is easily understood without you having to shout
- USB plug & play – simply plug in to your PC or Mac USB port and start phoning over the net
- Keep one ear free – ideal for families, the single-sided design keeps you in touch with your surroundings while you talk over the net
- Light and comfortable – with the light-weight headband, it's easy to forget you are even wearing a headset
- Peace of mind – thanks to the 2-year international warranty
