## Product Description

Featuring a smooth motorised lift with flexible tilt functionality, the ViewSonic® VB-STND-003 motorised trolley cart securely accommodates ViewSonic 55", 65", and 75" ViewBoard® interactive flat panel displays, or any display weighing up to 100 kg. With integrated on-screen control, the cart can be manipulated directly from the ViewBoard touchscreen (IFP5550 / IFP6550 / IFP7550), allowing you to easily raise, lower, or tilt the ViewBoard with a single tap. Tilt just a bit for customised viewing, tilt a bit more for a drafting table feel, or position horizontally in tabletop mode to create an interactive learning table or huddle space.
