- Share a big screen with family and friends with up to 1.6 meters wide, 75-inch diagonal projection and 480p resolution with 250 lumen brightness
- Maintenance free with environmental friendly LED lightsource lasts up to 30,000 hours

All-in-one compact-sized projector with Bluetooth speakers

The Qumi Z1V offers a great image from a portable pocket projector, combined with powerful speakers and a long lasting battery in an all-in-one, compact-sized unit. As it only weights 660g, it is easy to take the Qumi projector to any event where an entertainment centre piece is needed. The Qumi Z1V enables users to enjoy projection with 480p resolution with a screen size of up to 75", at a brightness level of up to 250 lumens and a 10,000:1 contrast ratio. Furthermore, the LED-based Qumi comes with 30,000 hours of operation and there's no need to change any lamps, making it an ideal long term investment.

Z1V SPECIFICATIONS
