# ViewSonic®

LED DISPLAY
VX2485-MHU

Key **Features**

- iF award winning design
- Connection flexibility with USB Type-C, HDMI, and VGA
- SuperClear® IPS technology
- AMD FreeSync™ technology
- TUV certificated Flicker-Free and Blue Light Filter

Product **Description**

Elevate your home entertainment to the next level with the ViewSonic VX2485-MHU. Featuring an award-winning design with a ringed, rotational swivel for clean movement and cable management. With a SuperClear® IPS panel and a sleek frameless design, the monitor provides a near-seamless viewing experience which is ideal for multi-monitor setups. The VX2485-MHU comes with a USB Type-C port for audio/video transmission and device charging up to 60W; it is also equipped with HDMI and VGA for flexible connectivity options. In addition, the monitor features AMD FreeSync™ which can virtually eliminate screen tearing and stuttering for fluid and smooth visuals. Included in the stand design are both swivel and tilt for a more comfortable viewing experience, while the TUV certificated low blue light and flicker free filter can minimize eye fatigue. Utilizing user friendly packaging offers a quick and easy out-of-the-box set-up.
