Key Benefits

- Cables fully concealed
- Fine tuning during installation
- Fine tuning possible after installation
- Theft prevention

The PPC 1500 projector mount is specially designed for the new generation projectors up to 20 kg. This projector interface is equipped with a unique fine tune adjustability for precise alignment with the projection surface. Once aligned, the projector stays in position.

The height adjustable projector ceiling mount kits can be used when the height of the ceiling is not known or when flexibility is wanted. These mounts come in 3 lengths offering variable height adjustment from 400 to 1350 mm. The Cable Inlay System runs the full length of the pole and even allows for cable routing after installation. The offers sufficient space for all cables required and enables you to hide all the cables in a matter of seconds.
