

Let Brother's latest series of Colour LED Printers and Multi-Function Centres (MFCs) help you increase your productivity.

Gain the competitive edge on productivity and cost-savings with Brother's latest series of Colour LED printers and MFCs. Get professional-quality documents and high-quality marketing materials without having to break the bank. With printing speeds of up to 22 pages per minute, and with such compact sizes, Brother's new Colour Series is the ideal office solution for home offices, small to medium-sized business and connected workgroups.

Enjoy greater cost savings with automatic 2-sided printing and experience greater convenience with mobile printing and easier sharing via wired/ wireless network. Reduce your running costs with Brother's new Colour Series when you choose high-yield colour toners for heavy print volumes.

With so many great features and benefits, it's no wonder Brother is your preferred choice.

Brother strongly recommends the use of genuine Brother consumable products only. Benefits include better quality prints, greater yields per consumable, protection of your machine from damages and achievement of optimum performance. As a precaution, please note that your machine warranty may not cover any damages arising from the use of non-genuine consumables.
