

# HP Pavilion Laptop 15-eh0029nu (2U2D6EA)

## Overview

**Sophistication at work. Gratification at play.**

The Pavilion 15 Laptop packs more performance into a smaller profile, so you can get more done wherever you go. Enjoy mind-blowing entertainment with a micro-edge screen and Audio by B&O.

### Productivity simplified

Performance that's one step ahead. Experience a laptop that can keep up with you with a premium AMD® processor.

### A screen that steals the show

With Audio by B&O, a larger screen-to-body ratio, and micro-edge bezels that maximize your view, entertainment on your laptop feels like stuffing a large popcorn into the small bag.

### More delight in a smaller package

A compact laptop that makes it easy to get work done on the go with a Precision Touchpad, while the long battery life and HP Fast Charge[1] let you keep moving.

## Features

### AMD Ryzen™ 7 Processor

Tap into truly impressive notebook performance. A revolutionary new architecture with amazing battery life that delivers exceptional multi-threaded processing and Vega graphics for intensive multimedia tasks.<sup>[2]</sup>

### Anti-glare panel

Enjoy the sun and your favorite content with this anti-glare panel. Non-reflective and low gloss means you'll get less glare while you're outside.

### PCIe SSD storage

Boot up in seconds with lightning fast speed with up to 512 GB PCIe SSD storage.

### FHD IPS display

Enjoy crystal-clear images from any angle. With 178° wide-viewing angles and a vibrant 1920 x 1080 resolution, you'll always have a great view of your favorite content.<sup>[3]</sup>

### HP Fast Charge

When your laptop is low on power, no one has time to wait hours to recharge. Power down your device and go from 0 to 50% charge in approximately 45 minutes.<sup>[4]</sup>

### Wi-Fi 5 (2x2) & Bluetooth® 5.0 (802.11a/b/g/n/ac)

Never worry about spotty Internet and weak connections. Stay powerfully connected to Wi-Fi and to Bluetooth® accessories with the latest Wi-Fi 5 (2x2) WLAN adapter and Bluetooth® 5.0.<sup>[5]</sup>

---

[1] Recharges your battery up to 50% within 45 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the notebook, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP products. See <http://store.hp.com> for a full list of product features.

[2] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.

[3] Full high-definition (FHD) content is required to view FHD images.

[4] Recharges your battery up to 50% within 45 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the notebook, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP products. See <http://store.hp.com> for a full list of product features.

[5] Wireless access point and internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 5 (802.11ac) is backwards compatible with prior Wi-Fi 5 specs.

## Specifications

|                                |                                                                                                                 |
|--------------------------------|-----------------------------------------------------------------------------------------------------------------|
| Operating system               | FreeDOS                                                                                                         |
| Product color                  | Natural silver aluminum cover and keyboard frame, natural silver base                                           |
| Processor family               | AMD Ryzen™ 7 processor                                                                                          |
| Processor                      | AMD Ryzen™ 7 4700U (2.0 GHz base clock, up to 4.1 GHz max boost clock, 8 MB L3 cache, 8 cores) <sup>[6,7]</sup> |
| Chipset                        | AMD Integrated SoC                                                                                              |
| Memory                         | 16 GB DDR4-3200 SDRAM (2 x 8 GB)                                                                                |
| Internal Storage               | 512 GB PCIe® NVMe™ M.2 SSD                                                                                      |
| Product design                 | Sandblasted cover and keyboard frame, paint finish base                                                         |
| Optical drive                  | Optical drive not included                                                                                      |
| Graphics                       | Integrated                                                                                                      |
| Graphics (integrated)          | AMD Radeon™ Graphics                                                                                            |
| Display                        | 39.6 cm (15.6") diagonal, FHD (1920 x 1080), IPS, micro-edge, anti-glare, 250 nits, 45% NTSC                    |
| Display                        | 15.6" diagonal, FHD (1920 x 1080), IPS, micro-edge, anti-glare, 250 nits, 45% NTSC                              |
| Display size (diagonal)        | 39.6 cm (15.6")                                                                                                 |
| Display size (diagonal)        | 15.6"                                                                                                           |
| Audio features                 | Audio by B&O; Dual speakers; HP Audio Boost                                                                     |
| Minimum dimensions (W x D x H) | 36.02 x 23.4 x 1.79 cm<br>(Dimensions vary by configuration)                                                    |
| Minimum dimensions (W x D x H) | 14.18 x 9.21 x 0.70 in                                                                                          |
| Weight                         | 1.75 kg<br>(Weight varies by configuration)                                                                     |
| Weight                         | 3.86 lb                                                                                                         |
| Keyboard                       | Full-size, backlit, natural silver keyboard with numeric keypad                                                 |
| Pointing device                | HP Imagepad with multi-touch gesture support; Precision Touchpad Support                                        |
| Webcam                         | HP Wide Vision 720p HD camera with integrated dual array digital microphones                                    |
| Expansion slots                | 1 multi-format SD media card reader                                                                             |
| Package dimensions (W x D x H) | 6.9 x 52 x 30.5 cm                                                                                              |
| Package weight                 | 2.34 kg                                                                                                         |
| Wireless                       | Realtek RTL8822CE 802.11a/b/g/n/ac (2x2) Wi-Fi® and Bluetooth® 5 combo                                          |
| Power supply type              | 45 W Smart AC power adapter                                                                                     |

|                              |                                                                              |
|------------------------------|------------------------------------------------------------------------------|
| <b>Battery type</b>          | 3-cell, 41 Wh Li-ion                                                         |
| <b>Battery life</b>          | Up to 7 hours and 45 minutes <sup>[3]</sup>                                  |
| <b>Battery recharge time</b> | Supports battery fast charge: approximately 50% in 45 minutes <sup>[5]</sup> |
| <b>Security management</b>   | Kensington Nano Security lock slot                                           |
| <b>UPC number</b>            | 195161845260                                                                 |

## Additional specifications

|                                        |                                                      |
|----------------------------------------|------------------------------------------------------|
| Battery capacity                       | 41                                                   |
| Battery capacity uom                   | Wh                                                   |
| Battery cells number                   | 3                                                    |
| Battery life video playback            | Up to 9 hours                                        |
| Battery type                           | Li-ion                                               |
| Brightness                             | 250 nits                                             |
| Color gamut                            | 45% NTSC                                             |
| Display                                | 39.6 cm (15.6") diagonal FHD display                 |
| Display                                | 15.6" diagonal FHD display                           |
| Display bezel                          | micro-edge                                           |
| Display brightness                     | 250                                                  |
| Display brightness uom                 | nits                                                 |
| Display panel technology               | IPS                                                  |
| Display resolution (pixels)            | 1920 x 1080                                          |
| Display resolution standard            | FHD                                                  |
| Display size (diagonal) uom            | "                                                    |
| Display size (diagonal, imperial)      | 15.6                                                 |
| Display size (diagonal, metric)        | 39.6                                                 |
| Display size (diagonal, metric) uom    | cm                                                   |
| Display surface treatment              | anti-glare                                           |
| ECC memory                             | No                                                   |
| Fingerprint reader                     | Fingerprint reader                                   |
| MDA key selling point                  | Windows 10 Home or other operating systems available |
| Memory and storage                     | 16 GB memory; 512 GB SSD storage                     |
| Memory layout (slots & size)           | 2 x 8 GB                                             |
| Memory module type                     | DIMM                                                 |

---

[3] Windows 10 MobileMark 18 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See <https://bapco.com/products/mobilemark-2018/> for additional details.

[5] Recharges your battery up to 50% within 45 minutes when the system is off (using “shut down” command). Recommended for use with the HP adapter provided with the notebook, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP products. See <http://store.hp.com> for a full list of product features.

[6] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.

[7] Max Boost clock frequency performance varies depending on hardware, software and overall system configuration.
