

SOLID PERFORMANCE BUILT TO LAST

Get quality performance in a durable, affordable package. Built to last with suspension headband and soft ear cups for premium comfort, durable PVC cable to prevent wear-and-tear, and an omnidirectional mic for crystal clear communication with reduced background noise. Multi-platform compatible with PC, Xbox, PS4 and others ensure you can play wherever you choose. With durability and performance on its side, plus additional features like removable ear cups and color-cycling RGB logo, the CH321 truly gives you more for less.

FEATURES

- **Superior Comfort** – Removable ear cups, PU leather, and lightweight construction provide the perfect fit for hours of comfort during long gaming sessions
- **Multi-platform Compatibility** – USB Type A connection adapts to multiple devices including PC/NB, Xbox One S and PS4™ and PS4™ Pro
- **Hi-fi Sound** – 50mm Neodymium drivers and built-in sound card works in harmony with the PU leather to provide a full and balanced sound with excellent noise isolation
- **RGB Logo** – 6 colors with cycle effects lets others know when you're in the zone
- **Crystal-clear Communication** – Omni-directional boom microphone is easy to position and reduces background noise for clear voice capture
- **Extended Cable Length** – PVC cable is designed to withstand kinks and bends to increase longevity and the length of 2.3m is long enough for any occasion
- **Sleek Styling** – Make a statement without a crazy design. Superior audio performance is heard, not seen.
