Be ready

The Trust GXT 138 X-Ray Illuminated Gaming Mouse combines a unique design with customizable settings. Speed, accuracy and precision come together in this gaming mouse. You can now easily lead entire armies towards victory. The high precision 4000 DPI optical sensor offers you great precision and enables a tracking speed of 60ips. This results in outstanding accuracy and speed. Whatever game you're playing or enemy you're facing; with the X-Ray Illuminated Gaming Mouse, you will be ready for what is coming.

Personalized set-up

Every player has their own weapon of choice. The design of this mouse will set you apart from other competitors. Personalize your gaming set-up and show your true colours with the 16.8 million colours available in the software. Personalize your gear and impress your opponents in the gaming arena.

Create your combinations

When you've chosen the colour of your victory, use the advanced software to program the buttons and macros for perfect internal mouse settings. The mouse features 10 programmable buttons allowing you to combine a series of actions into a single click macro. Create your own special combinations and surprise your enemies. They won't know what hit them!

Gripping design

This Trust gaming mouse features smooth, low-friction gliding pads and comfortable grip for anybody. Time won't weaken your speed and accuracy during those extended gaming sessions.
