ENERGY EFFICIENT

Always fully charged

With the Trust Primo 90W universal laptop charger, you can easily keep your laptop fully charged. The included connectors for virtually every common laptop brand, make sure you're always prepared to charge any laptop back to full power – your own, or other's.

Universal and easy

The Trust Primo 90W universal laptop charger can be used with virtually any laptop that requires a power adapter of 70W or less. Simply select one of the included connectors and charge your Acer, Asus, Dell, Fujitsu, HP, Lenovo, Medion or MSI laptop. Is the right connector not included in the package? Visit trust.com/22142 to request a free additional connector.

VELCRO STRAPS

Travelling companion

The charger's compact and reliable design makes it perfect to take with you, regardless of where you're going. It works with the wall power socket voltages everywhere in the world, which means you can safely charge your laptop with the Primo charger anywhere.

Smart Protection System

The charger protects your laptop against overload and short circuit, so it is protected from any damage and allows for safe recharging at all times. Its durable and energy efficient design also helps to prevent unnecessary power usage and overheating.
