## Fast wireless charger for smartphones

Stylish and compact wireless charger to fast-charge your Qi-compatible smartphone

### Key features

- Touch-and-charge: simply put your smartphone on the pad and it will charge automatically
- Works with all smartphones with Qi wireless charging support
- Fast-charges any Qi fast-charge compatible device, such as Samsung Galaxy S8 & S9
- Charges other Qi wireless charging compatible devices at normal speed, such as iPhone XR and iPhone XS
- Certified by Wireless Power Consortium (WPC), for optimal reliability
- Charging indicator LED

### What's in the box

- Wireless charger
- Micro-USB cable
- User guide

### System requirements

- For fast charging: USB charger with Quick Charge 2.0(+) or Adaptive Fast Charging.  
Examples:
  - Wall charger: [trust.com/21818](https://www.trust.com/21818)
  - Car charger: [trust.com/21819](https://www.trust.com/21819)
  - Powerbank: [trust.com/21858](https://www.trust.com/21858)
- For normal charging: USB charger with 10W/2A output power
- Smartphone compatible with Qi wireless charging

UP TO 10W  
POWER

CHARGING

MICRO-USB  
CABLE INCLUDED

## Cable-free power

Simplify the way you charge your phone with the Primo10 Fast Wireless Charger for Smartphones. It is ideal for use at home or at the office for example. Simply place your Qi-certified smartphone on the pad and it will start charging automatically! Choose from stylish black, blue or red and place the Primo10 on an easy to reach spot such as your desk or nightstand, put your phone on the device and the LED light will indicate whether your phone is charging, it's that easy.

## Next level charging

The Primo 10 fast-charges Qi fast-charging compatible devices such as the Samsung Galaxy S9, S8, S7 & Note 8, Sony Xperia XZ2, Nokia 8 Sirocco and LG V30 & V30s ThinQ. This can be up to 40% faster than charging at normal speed!\* But the Primo 10 is not only compatible with fast-charging devices, it can also be used with other Qi wireless charging compatible devices such as the iPhone 8 and X, the Samsung Galaxy S6 or the LG G4, to charge at normal speed. The pad will automatically detect the highest possible charging speed so you're on your way again in no time!

## Safe to charge

The Primo10 is certified by the Wireless Power Consortium (WPC) to ensure optimal reliability. The charger also comes with smart safety design with foreign object detection to prevent over-heating of metal objects.

## GENERAL

|                                       |       |                                      |       |
