Space saving  
Design

## Refined sound style

The Arys soundbar is slim enough to fit under your PC screen: it was designed with home decoration and lifestyle in mind. Especially when you don't have a lot of space around your computer, the Arys soundbar is an excellent solution. With a peak power of 12W, it ensures the rich and compelling sounds will reach you everywhere. You can play your favourite tunes in refined style!

## Instant power

Connect the speaker directly to your TV, PC or other music playing device with the USB cable for power and the 3.5mm aux plug for clear sounds. And you don't even need any additional wall power.

## Next level sound

Easily turn up the volume with the large, illuminated control knob on the front of the soundbar.
