Powerful sound and illumination

The GXT 407 Ravu Illuminated Gaming Headset with 40mm driver units will suit all your gaming needs perfectly. Whether you choose to play on PC or laptop, with the bright red illumination you are on your way to colourful victories!

Communicate comfortably

The Ravu is designed for long and intense gaming sessions with its comfortable over-ear pads. The fold-away microphone picks up your voice easily while talking to your friend and teammates, not a word will be missed.

Connect & control

With the in-line remote, you can adjust the volume as well as mute the microphone when in need of some peace and quiet. Connect the 2-meter cable with 3.5mm jack plugs for sound and microphone to your laptop, or connect the 20cm extension cable for optimal use with your PC. The USB plug will fuel the illumination of the headset. Start listening to the sound of triumph!
