Equipped with powerful sound

The GXT 412 Celaz Multiplatform Gaming Headset is equipped with powerful 50mm active speaker units: every in-game sound detail is transmitted directly. Whether you connect your headset to your PC, laptop or console – you're on your way to resounding victories!

Endless comfort

The large, soft and comfortable over-ear pads combined with the adjustable metal-reinforced headband give you the comfort you need for those prolonged gaming sessions. Settle in and get ready to game!

Multiplatform connection

Connect your headset via the 1m braided cable to for example your PS4 or Xbox controller or your Switch, or lengthen the cable with the 1m extension cable for easy connection with your PC or laptop.

Team talk

Talk with your teammates as if you're all in the same room. The clear sound of the adjustable microphone makes sure you won't be defeated by miscommunication anymore.
