## All-In-One Control: Multi-Manage Your Devices

With the Vaia Wireless Touchpad Keyboard, you have complete control. Link the keyboard wirelessly to your devices and engage your laptop, Smart TV, PC or game console with smart multimedia keys and a convenient touchpad.

## The Multitasker's Gadget

The Vaia Wireless Touchpad Keyboard is designed for those who want to get things done, quickly and comfortably. Enjoy the full-size keyboard layout for quick and comfortable typing, multimedia keys for smart-access with a single press, and an intuitive touchpad for fast navigation. Designed to save time and avoid the hassle of operating multiple remotes spread across the room, this keyboard makes for a smart choice for the busy multitasker.

## Type, Chat, Watch and Browse from the Couch

Compact, lightweight and wireless; with the Vaia Wireless Touchpad Keyboard you can conveniently control your devices – PC, laptop, game console and Smart TV alike – from a distance. Whether you want to browse the web, update your social media status or send an email; the 10 meter wireless range allows you to do all this without getting off the couch. Simply plug the USB receiver into the device you want to operate.

## Smart Access via Multimedia Keys and Touchpad

The Vaia Wireless Touchpad Keyboard is designed to give you intuitive and smart control. Because operating your devices should be easy and fun. Give your mouse a rest and engage the keyboard's large integrated touchpad to operate your devices. Or you can use the easy-access multimedia keys to pause a movie or adjust the volume with a single press.
