- Headphones
- Micro-USB charge cable
- 3.5mm audio cable
- User guide

System requirements

- Bluetooth device or 3.5mm audio output
- USB wall charger or powerbank to recharge headphones

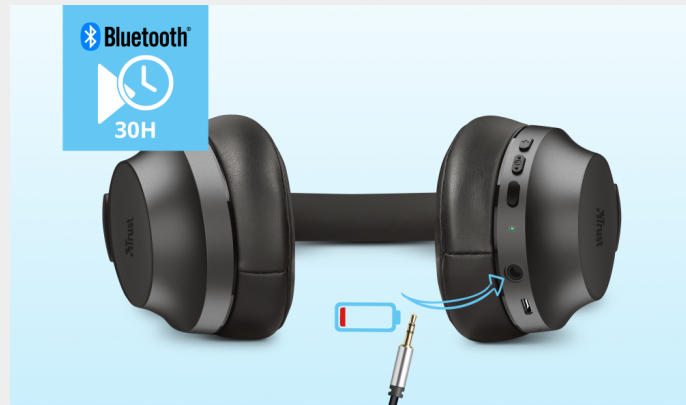

The Sound of Freedom

Immerse yourself in your favourite songs, no matter where you are, with the Trust Eaze Over-Ear Wireless Headphones. The Bluetooth headset combines quality sound with freedom of movement, with a range of 10m and long battery life.

Portable Quality

The earphones play your music in high quality, thanks to impressive 40mm drivers. Whether you're listening on the road or at home, the headphones provide a beautiful listening experience with thumping bass and clear highs.

Play it Again

If you're planning on taking a long trip, the Eaze headphones will be the ideal travel companion. With up to 30 hours of playtime on the road, you won't be travelling in silence. Afterwards, you can even continue listening if you use the included 3.5mm cable instead of Bluetooth.

Wear Them All Day

With that much battery life, the headphones are comfortable to wear during long listening sessions. The soft, cushioned leatherette over-ear pads and adjustable headband will make sure the Eaze is a perfect fit. And when you're done listening, fold the headphones so they'll easily fit into your bag.

In Full Control

Use the play controls without even taking your phone out of your bag or pocket. The on-ear buttons allow you to play, pause and skip tracks. The built-in microphone even allows you to access your smartphone's voice assistant and make handsfree phone calls.
