Charge Everywhere

No matter your destination: Trust Hyke Outdoor Powerbank will have your back. Being water and sand resistant and equipped with fast-charging technology, it offers a powerful solution to any battery problem.

Stay Online

Planning a long hike or a multi-day festival? The high capacity 10.000 mAh battery allows up to 4 phone recharges: that means up to 46 extra hours of phone battery, or up to 12 extra hours on your tablet.

Weather the Storm

From camping to festival, from beach to jungle: the powerbank is made for outdoor use. Besides being water and sand resistant (IP67), it has a built-in flashlight for finding your way in the dark.

The Quickest Charge

Whether it's an iPhone or a Samsung Galaxy, the powerbank brings maximum power to your device.* Your battery will be up and running quicker than when you use a normal charger.*Fast-charge with up to 18W power via Power Delivery and QuickCharge 3.0. Charging speed varies between devices

Don't Run Out of Juice

When the time comes to recharge the powerbank, it won't come as a surprise: the smart LED level indicator shows the battery status. The included micro-USB cable or the USB-C port allow for a fast recharge, so you'll be ready for your next trip in no time.
