Primo10 Fast Wireless Charger Stand

Wireless Power Boost

Say goodbye to cables thanks to the Trust Primo10 Fast Wireless Charger Stand. Charging your phone has never been easier and, thanks to the fast-charging technology, it's quicker than ever as well.

The Magic Touch

Simply place your phone on the stand, either in horizontal or vertical mode, and it will start charging. Place it on your desk or table, and you won't miss any notifications, even when you're charging your phone.

A Faster Charge

The charger's smart technology will deliver maximum power to your devices.* That way, the charging speed will increase with an impressive 40 percent, compared with a normal charger. * Charging speed varies between devices.

All Aboard

From iPhone to Samsung Galaxy, all Qi-compatible phones are supported by the Primo10 charger. This includes models from Apple, Samsung, Huawei and other brands.

Good night

Don’t worry about being woken up by flashing lights when charging your phone at night. 20 seconds after placing your phone in the charger, night mode will activate, automatically turning off the indicator light.
