Say Goodbye to Cables

No more getting tangled up in cables: the Trust Qylo Fast Wireless Charger is the ultimate clutter-free charging solution. Just by placing your phone on the charger, you will be on your way to a full battery again.

Touch-and-charge

Using the charger couldn't be simpler: just put your smartphone on the pad and it will start charging. You won't even have to take your phone out of its case. All Qi-compatible phones, including models from Apple and Samsung, are supported.

Good Night

Thanks to the charger's night mode, you can easily charge your phone on a nightstand without the fear of losing sleep. After 20 seconds, the indicator light automatically turns off, ensuring you won't be woken up by bright lights.
