Halyx Aluminium 4-Port Mini USB Hub

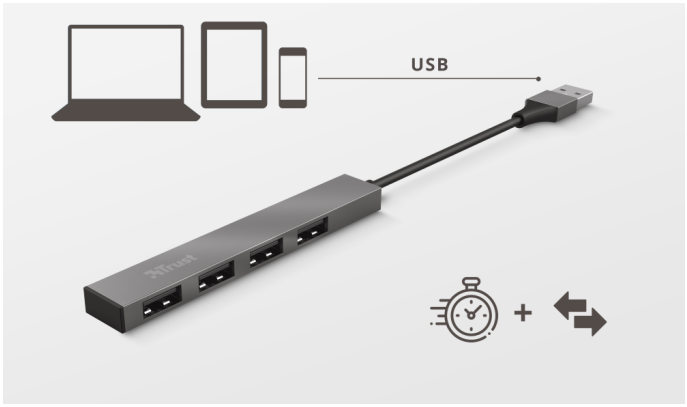
Upgrade Your Workflow

With the Trust Halyx 4-port USB Mini Hub, you can really get the most out of your laptop or computer. Extend the number of ports on your laptop and connect with multiple devices via the 4 USB ports.

Easy Setup and Compatibility

The Trust Halyx works with every laptop, MacBook, PC and tablet* that has a USB port. Using a single USB-A port on your device, you can add 4 USB devices, such as your keyboard or an external drive. The Halyx allows you to quickly transfer data (USB 2.0) and there's no need to install software for this handy tool; just plug in & play!



Ultra-Compact Design

The mini hub has a compact design of only 7.3mm thick, that slips easily into any pocket or bag – perfect for travelling. Its aluminium housing makes it a stylish and durable addition to your desk setup and work kit. If you need to connect with various devices and peripherals when you're away from home, the Halyx is your go-to office and travel essential.
