Compact and Convenient

The Trust Zaya Wireless Rechargeable Mouse is a convenient tool to make your working day a lot easier. It comes with 4 buttons, including a handy DPI switch to adjust the speed of your cursor, a USB micro-receiver that's easily stored within the mouse itself, and a rechargeable battery. You'll never worry about batteries again.

Charge It Up

The Zaya Wireless Mouse has a built-in rechargeable battery, which means you can completely forget about buying any more batteries. Use the included USB-C cable to charge it up. It doesn't just save you money, it's great for the environment too.

For Everyone

Because of the symmetrical, ambidextrous design of the Zaya, it doesn't matter if you're right- or left-handed. And it works on any modern device, too. Just plug the USB receiver in a free USB port on your laptop, PC, Mac or Chromebook, and you're good to go.
