

EH-LS300W

DATASHEET / BROCHURE

This Full HD 120" Smart laser projection TV, part of the new EpiqVision Ultra range, comes with Android TV™ and sound by YAMAHA.

Open up the possibilities to bigger and more exciting home entertainment while keeping your home stylish, without a black screen permanently on the wall. Epson's Full HD ultra-short-throw laser projection TV is sleek in design with Android TV and sound by YAMAHA, and is designed for projecting up to 120" with 3LCD technology, a high contrast ratio and sharp images.

The big screen experience

Feel immersed in everything you watch or play with this stylish and affordable Full HD projector which can produce up to a 120" image.

Smart home entertainment

Android TV offers thousands of movies, shows, and games from Google Play, You Tube and other favourite apps¹. Enjoy dynamic audio and 3D surround sound with sound by YAMAHA, which can be used with or without a visual display by simply selecting the the visual display to mute and can also connect to a smart device with Bluetooth audio.

Long-lasting solution

Looking for a long-term, hassle-free and affordable solution to replace your TV? With this model's long-lasting lamp light source, you'll be able to enjoy entertainment for up to 10 years².

Superior picture quality

With a high brightness of 3,600 lumens and contrast ratio of 2,500,000:1, this projector delivers lifelike content and defined shadow detail. Epson's 3LCD technology means its projectors have up to three times brighter colours, than comparable 1-chip DLP projectors³.
