- AirflowMax technology for continuous strong suction power
- Auto on-off to deliver suction power only when you need it
- CarpetClean for efficient cleaning on soft floors
- TriActive LED for deep cleaning results
- AAA Energy Label
- Made in Europe

**PHILIPS**

# Highlights

## AirflowMax technology

The unique AirflowMax technology keeps the suction power strong for long to use the bag to the very end. The technology is built around the optimization of three key elements: 1) Unique ribs profile inside the dust chamber to maximize airflow around the dustbag and enable the use of the entire bag surface. 2) Specially designed dust chamber capacity that allows the dustbag to fully unfold uniformly. 3) High quality, non-clogging fiber dustbag that absorbs dust without blocking the pores, thus avoiding reduction in suction power.

## Allergy filter

This vacuum cleaner is certified as Allergy friendly by the European Centre for Allergy Research Foundation. The exhaust air is purified up to 99,95% of allergens from; cat & dog hairs, dust mites or pollen to support an allergy friendly home environment.

## Auto on-off

The intelligent auto on-off feature will automatically turn your vacuum cleaner on when in use and off when it is not

## CarpetClean

The CarpetClean is ideal for deep clean, this nozzle is suitable for the toughest carpet clean and delivers high dust pick up on soft floors.

## Intuitive digital display

The intuitive digital display shows relevant information, enabling you to get the best performance out of your vacuum cleaner: - 4 cleaning settings - Dust Bag Full Indicator - Auto on-off Indicator

## On board accessories

The On board accessories includes : - A crevice tool that fits in tighter spots and works well along the edge of baseboards and in hard-to-reach spots, such as vents. - An upholstery tool that has a small, flat head and powerful suction, this attachment works well on fabric surfaces.

## Remote control handle

Thanks to the ergonomic remote control, power settings are right by your hand so you can easily switch between power settings to match the place and type of floor surface your vacuuming for more efficient cleaning. Another advantage of the remote control is that you don't have to keep reaching for the main unit so cleaning is easier than ever without compromise on maneuverability.

## s-bag Ultra Long Performance

s-bag® Ultra Long Performance has been developed to provide optimum cleaning performance from your vacuum cleaner. This dust bag provides your cleaner with extreme suction power during the entire lifetime of the bag.

# Specifications

## Performance

- Energy efficiency rating: A
- Dust re-emission class: A
- Carpet cleaning class: B
- Hard floor cleaning class: A
- Airflow (max): 35 l/s
- Annual energy consumption: 26.5 kW h
- Input power (IEC): 650 W
- Input power (max): 750 W
- Sound power level: 74 dB
- Suction power (max): 220 W
- Vacuum (max): 15 kPa

## Usability

- Action radius: 11 m
- Carrying handle: Front
- Tube type: Aluminium 2-P telescopic tube
- Wheel type: Rubber
- Tube coupling: SmartLock
- Power control: Remote control
- Digital Dustbag full indicator

## Design

- Color: Copper grey

## Filtration

- Dust bag type: s-bag Ultra Long Performance
- Dust capacity: 4 L
- Exhaust filter: Allergy filter

## Nozzles and accessories

- Accessories included: Crevice tool, Integrated brush, Small brush
- Additional nozzle: Carpet Clean nozzle
- Extra accessories: ErgoGrip remote control
- Standard nozzle: TriActive LED nozzle

## Sustainability

- Packaging: > 75% recycled materials
- User manual: 100% recycled paper

## Weight and dimensions

- Dimensions of product (LxWxH): 280x300x475 mm
- Weight of product: 6.2 kg
