

HP All in One Carry On Luggage

Move freely and keep your gear locked down when you travel for business

Travel confidently with the hard-sided HP All in One Carry On Luggage. Get plenty of room for your work and personal belongings and glide through the airport and security with four 360° rollers and integrated, TSA-lockable zippers on both the laptop¹ and luggage compartments.

Step back into business

Seamlessly transition from the airport to the office and keep your personal items personal. Access your laptop and tech accessories by opening the front padded laptop¹ compartment without ever opening the rear luggage compartment.

The 2-in-1 ready for the overhead bin.²

Follow airline regulations² with a durable, yet lightweight roller case that has all the room you need for a week's worth of tech and personal items and still easily fits in the overhead compartment on your flight.

Drive it with one hand

Make your trip through the airport a breeze. Maneuver the luggage with one hand on the retractable handle and enjoy smooth 360° degree mobility while you keep the other hand free to hold your coffee, phone or travel documents.
