# Highlights

## IPX4

With an IPX4 rating, these true wireless headphones are resistant to splashing from any direction. They won't mind a little sweat, and you don't need to worry about getting caught out in the rain.

## Secure, flexible, comfortable

Flexible wing tips fit under the ridge of your ear, enabling a secure fit and better passive noise isolation. An oval acoustic tube and interchangeable earbud covers enable a comfortable in-ear fit. The flat headphone cable sits comfortably behind your neck whether the earbuds are in or out.

## Magnetic earbuds.

These headphones have magnetic earbuds that stick together and a flat headphone cable that resists tangling. When you pull them out of a bag or pocket, you won't have to untie a knot before you can tune in to your playlist.

## Inline remote.

Take a call, pause your playlist. All without touching your smartphone. Smart Bluetooth pairing means these headphones remember the last devices they were paired with.

## 7 hours of play time.

The 8 mm neodymium drivers deliver great sound and you get up to 7 hours play time from a 2 hour charge via USB-C. If you start running low on power, a quick 15 minute charge will keep the music playing for another 1 hour.
