Multi-mode Wireless Ultra-slim Combo Set

9500M

This elegant premium wireless set adds style and sophistication to any desktop with its streamline design. The keyboard boasts an impressive 4.5 mm ultra-slim yet sturdy design and anodized aluminum housing. The 9500M set features an advanced wireless mouse with superior comfort and functionality. Housed in an extra comfortable shape with smooth finish the mouse features a fully adjustable high-performance optical sensor from 600 to 1600 DPI. 9500M is not only advanced in design

and features but also in connectivity. The desktop set transmits via Rapoo's latest multi-mode wireless connection – using reliable 2.4 GHz wireless transmission, Bluetooth 3.0 or Bluetooth 4.0 (Smart) – enabling you to connect simultaneously to multiple devices and switch (pair automatically) among them. To enjoy the set without interruption for as long as possible, it also offers up to 12 months battery life and a power button.

► Multi-mode wireless connection

Interference-free wireless options: The smart switch between Bluetooth 3.0, 4.0 and 2.4 GHz ensures stable wireless transmission with up to 10 meters range and 360° coverage. You can still use your keyboard regardless of USB port shortage or the loss of receiver.

► Instant switch among multiple connected devices in one click (Automatic pairing)

Connect to all your devices: 9500M automatically pairs the working device. It simultaneously connects to multiple devices, and easily switches among them in a click of a button. It simplifies activities across devices and meets multi-tasking requirements.

► Ultra-slim 4.5 mm design with aluminum alloy

Slimline and rugged: The award-winning ultra-slim 4.5 mm design makes this keyboard a real eye-catcher while the anodized aluminum housing offers stability and durability.

► Adjustable 1600 DPI sensor

Enjoy total control: with the adjustable DPI sensor, accuracy is no longer left to chance. Adjustable from 600 to 1600 DPI, you can adapt it to match your preference.
