

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2013

| INFORMATION   |                            | Value              | Unit            |
|---|----------------------------|--------------------|-----------------|
| 1. Supplier name or trademark   |                            | IIYAMA CORPORATION |                 |
| 2. Model identifier   |                            | G2466HSU-B1        |                 |
| 3. Energy Efficiency Class for Standard Dynamic Range (SDR)                         |                            | F                  |                 |
| 4. On mode power demand for Standard Dynamic Range (SDR)                            |                            | 21,5               | W               |
| 5. Energy Efficiency Class for High Dynamic Range (HDR)                             |                            | G                  |                 |
| 6. On mode power demand in High Dynamic Range (HDR) mode                            |                            | 27,6               | W               |
| 7. Off mode, power demand   |                            | 0,3                | W               |
| 8. Standby mode power demand  |                            | 0,5                | W               |
| 9. Networked standby mode power demand  |                            | n.a.               | W               |
| 10. Electronic display category   |                            | Monitor            |                 |
| 11. Size ratio  |                            | 16 : 9             |                 |
| 12. Screen resolution (pixels)  |                            | 1 920 x 1 080      | pixels          |
| 13. Screen diagonal   |                            | 59,8               | cm              |
| 14. Screen diagonal   |                            | 24                 | inches          |
| 15. Visible screen area   |                            | 1 529,2            | cm <sup>2</sup> |
| 16. Panel technology used   |                            | LED LCD            |                 |
| 17. Automatic Brightness Control (ABC) available                                    |                            | No                 |                 |
| 18. Voice recognition sensor available  |                            | No                 |                 |
| 19. Room presence sensor available  |                            | No                 |                 |
| 20. Image refresh frequency rate  |                            | 60                 | Hz              |
| 21. Minimum guaranteed availability of software and firmware updates (until):       |                            | 01 03 2032         |                 |
| 22. Minimum guaranteed availability of spare parts (until)                          |                            | 01 03 2031         |                 |
| 23. Minimum guaranteed product support (until)                                      |                            | 01 03 2031         |                 |
| 24. Power supply type:  |                            | Internal           |                 |
| i External standardised power supply (included in the product box)                  | Standard name              | -                  |                 |
|   | Input voltage              | -                  | V               |
|   | Output voltage             | -                  | V               |
| ii External standardised suitable power supply (if not included in the product box) | Standard name              | -                  |                 |
|   | Required output voltage    | -                  | V               |
|   | Required delivered current | -                  | A               |
|   | Required current frequency | -                  | Hz              |
