Full HD display

ED242QR brings users into a perfect colorful world in Full HD 1920 x 1080, and provides the finest natural and sharp original quality with VA panel and 100,000,000:1 contrast ratio.

BlueLightShield™

BlueLightShield™

Acer Blue Light Filter reduces the exposure ratio of blue light, which can potentially cause long-term eye damage, by adjusting color hue and brightness

Curve 16:9 design

With curvature of 1800r, Acer ED242QR give you a more enveloping viewing experience because their screens wrap around you, thus drawing you deeper into everything..

Flickerless

Flicker-less

A constant image's refresh rate may flicker up to 75 times a second, although human's eyes hardly recognize the circumstance Acer Flicker-less technology helps to eliminate screen flickering through a stable supply of power

About Acer

Established in 1976, Acer is an information and communication technology company dedicated to the research, design, marketing, sale and support of innovative products that enhance people's lives. Acer's green supply chain delivers environmentally friendly PCs, displays, projectors, servers, tablets and smartphones — tools our customers need to explore beyond limits and experience more. Ranked No. 3 for notebooks globally (IDC 2012), Acer employs 8,000 people, and 2011 revenues reached US\$15.7 billion. Please visit www.acer.com for more information.
