

HP OfficeJet Pro 9730e Wide Format All-in-One Printer

Print and scan in wide format like a Pro.

Say hello to the wide format professional colour inkjet printer for your growing business from the World's #1 Printer Company, paired with the easiest-to-use print app. Print and scan up to A3 with extra performance features.^{1,2}

This is an HP+ enabled printer. Choose HP+ at product setup to activate benefits. HP+ requires an HP account, ongoing connection to the internet, and exclusive use of Original HP Ink cartridges for the life of the printer. More at: <http://www.hp.com/plus>

This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. A reused HP chip enables the use of reused, remanufactured, and refilled cartridges. More at: <http://www.hp.com/learn/ds>
