

I2275PWQU

21.5 inch

(54.6 cm) LCD MONITOR

This versatile 21.5-inch IPS display offers excellent performance for any task. Full HD resolution, high contrast ratios and wide viewing angles produce sharp, vivid imagery. A wide range of connectors, including DisplayPort, DVI, HDMI and USB (2.0 and 3.0) make it easy to hook up your computer and other devices.

Height adjustable stand

We care about your well-being. This is why this monitor offers height adjustment options, which help you find your perfect posture while working, playing or watching videos. Adapting your AOC monitor to your needs not only helps you reduce fatigue and keep your body healthy. In the end it lets you and your team achieve better results in whatever you are doing.

IPS Panel

No matter if you are viewing photos, videos, a magazine layout in InDesign or playing your favourite game – we want your content to look excellent from whatever angle you are seeing it. That is why this display comes with an advanced IPS panel, which produces brilliant colours and offers wide viewing angles. This way, images always look excellent and accurate, regardless from which angle you – or your friends and co-workers sitting or standing next to you – are looking at the screen.

Integrated Speakers

Built-in speakers make it easy to catch up with family, friends and colleagues. For movies, music, games and more, you'll enjoy quality audio without the hassle of connecting external speakers.
