

Colour printer and MFP

RICOH
P C301W
M C250FW

✔ Printer ✔ Copier ✔ Scanner ✔ Fax

Vibrant business colour

Adding impact to your everyday print communication, these desktop devices put vibrant and productive colour printing within easy and affordable reach.

Class-leading functionality

- Vibrant colour output
- 25 ppm productivity
- Print from any device
- Low running costs

Combining class-leading functionality with low total costs of ownership, these compact A4 devices are made for business. Keeping pace with demand, they deliver immaculate double-sided colour and black and white output at a productive 25 pages per minute. And, with WiFi Direct making it easy to connect, these productive desktop printers can be shared by multiple users.

Productive time-saving features

- Printer and/or 4-in-1 MFP
- Colour touchscreen panel
- Fast, single-pass scanner
- Optional 2nd paper tray

Easy to install, they will work seamlessly in virtually any environment. Windows, Mac and even Linux are supported and, to improve access, users can connect using AirPrint, Mopria and Google Cloud Print. And, with WiFi Direct and Near Field Communication (NFC) built in, it has never been easier to join a network. What is more, with their ultra high yield cartridges extending print cycles and reducing costs, these reliable desktop devices offer best-in-class total costs of ownership.

To simplify your print environment, Ricoh offers single and multi-function versions of the same advanced print engine. The M C250FW is a compact fax-enabled 4-in-1 MFP. Its large colour touchscreen panel simplifies operation and, to save time, the integral Single Pass Document Feeder (SPDF) quickly scans double-sided originals in a single pass. The addition of an optional second paper tray expands capacity and enables different sizes and types of paper to be held online, ready for use.

Easy installation and support

- Windows, Mac and Linux
- AirPrint, Mopria and GCP
- Near Field Communication
- UHY toner cartridges
