INFORMATION

15.6″ portable Full HD IPS monitor with USB-C, built-in speakers & leather cover

Work anywhere with the iiyama ProLite P1670HSC-B1, a 15.6″ portable Full HD IPS monitor weighing just 0.7 kg. Slim and light, it’s ideal for travel, remote work, or hot-desking.

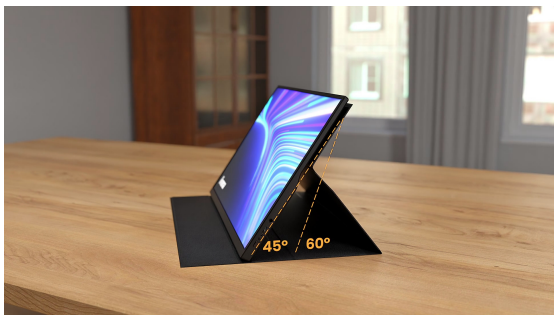
Quick to set up, it offers two viewing angles (45° or 60°) and a leather cover that protects the screen and doubles as a stand. Built-in speakers deliver clear audio for calls and media, removing the need for extra devices.

A USB-C cable handles the display signal from your laptop to the monitor, while the crisp panel, flicker-free technology, and blue light reduction ensure comfort and productivity all day.

FEATURES

Travel light and stay productive anywhere

Take this 0.7 kg portable monitor with you and create a 15.6″ Full HD dual-screen setup perfect for boosting productivity on the go.



Adjust your view for better comfort

Choose between 45° and 60° viewing angles to reduce neck strain and find the most comfortable position for work or entertainment.

Connect with ease, work in comfort

A USB-C cable transmits the display signal from your laptop to the monitor with ease. You never have to check which way to plug it in. The reversible connector fits perfectly every time so you can stay focused on what matters.

Reduced eye strain & fatigue

Work, study or play longer without eye fatigue, thanks to flicker-free technology and reduced blue light emissions. These features help minimize eye strain and improve visual comfort, allowing you to stay focused and productive throughout the day.
