DynaBoost™ Technology :

Experience powerful sound with Built-in DSP & DynaBoost™ technology that enhances clarity and depth to your audio.

8000 mAh Battery :

Equipped with a long-lasting 8000 mAh battery, Passion X keeps the music going for extended playtime.

TWS Mode :

Activate TWS mode to wirelessly pair two speakers and enjoy a wider soundstage with true stereo separation.

100W Max Power :

Delivering up to 100W of maximum power, Passion X fills your space with bold, room-shaking sound.

Two way Full Range Driver System:

This feature ensures precise sound separation, delivering clarity, and depth across every frequency.
