Trust Muto

The Muto Silent Keyboard with its soft and silent keystroke is your tool to get work done. Connect this spill-proof keyboard with the 1.5m USB cable and you're ready to focus on the tasks before you at home, or at the office. Muto is made for every desk with its compact keyboard layout. But despite its compact layout, the keyboard has 12 multimedia function keys that allow you to adjust the volume, start a search or go to your homepage with just one click of a button. Its flat and round keycaps make sure you can type comfortably for a long time. Get to work!
