

- **Style:** CTE (Centralized Thermal Efficiency) Form Factor Design
- **Size:** Full Tower supports up to E-ATX MB
- **Material:** Steel & Tempered Glass

## Datasheet

### Main Features

- **Connection :** Front I/O ports with 4 x USB 3.0 & 1 x USB 3.2 (Gen 2) Type C
- **Ventilation :** 3 preinstalled 140mm CT140 fan
- **Supports :** Supports AIO/DIY cooling solutions

| Model                     | CTE C750 Air                                                                                                                                                                                                                                                                                                                                                                                                                                                        | CTE C750 Air Snow   |
