

Key Features

- 99% sRGB SuperClear® IPS panel
- 100Hz Refresh rate delivers fluid visuals
- USB hub with 1 upstream, 2 downstream ports, and HDMI, Display Port, VGA inputs for easy connectivity
- Height-adjustable swivel stand with pivot and tilt function
- Eye ProTech+ for always-on eye protection

Product **Description**

The ViewSonic VG2708A is a 27" FHD monitor featuring HDMI, VGA and Display Port inputs for business and home use. Experience enhanced connectivity and effortless device integration with our advanced monitor featuring a USB hub. The Eye ProTech+ technology presets to cater for optimal screen performance and comfortable viewing without tearing or stuttering. Expand your workspace and experience truly seamless, ergonomic multitasking on just one screen with a VESA-compatible mount at low energy consumption.
