

BUSINESS DEVICES THAT ARE A CLASS APART

The ThinkPad Z Series is an ultraportable workstation; thin and light, yet packed with professional graphics, processing and storage as well as latest collaboration features for financial services specialists.

ThinkPad Z13 Gen 1

Combining feather-lite portability and next-level performance, the new ThinkPad is a perfect companion for the work-from-anywhere workforce. Carefully crafted using recycled aluminium and vegan leather, this device delivers both aesthetic sophistication and durability in abundance. The optional FHD 1080p camera and Dolby Atmos speakers enhance video conferencing experience whereas the optimized 2.8K display and 100% sRGB colour gamut offer an incredible level of detail and realism in visuals. Its all-day battery life and rapid charge support lets users stay ahead of work while on the go.

REASONS TO BUY

With the Wi-Fi 6E and 4G LTE connectivity features, experience consistent and high-speed wireless connection from anywhere. The standard and optional connectivity ports including, USB 3.2 Gen 1 and Thunderbolt 4 enable data transfer and seamless connection to external monitors and peripherals.

The powerful AMD Ryzen 7 processor lets users breeze through the busiest day at work. From data analysis to graphics designing, accomplish more and multitask with its up to 32GB LPDDR5 memory and up to 1TB SSD storage.

Preloaded applications are very less, ensuring the device doesn't slow down.
