- Precision shaver perfects the edges of cheeks, chin and neck
- Wide hair clipper quickly trims even the thickest hair
- Detail metal trimmer defines edges of your beard or goatee
- Nose trimmer gently removes unwanted nose and ear hair
- 11 combs for trimming face, hair and body

### Easy to use

- The stainless steel frame and rubber grip improve control
- Showerproof for convenient use in the shower and cleaning
- Powerful Lithium-ion battery delivers 6 hrs of runtime

# Highlights

## 18 tools for face, hair and body

This all-in-one trimmer conveniently trims and styles your facial hair, clips your hair and grooms your body.

## DualCut technology

Enjoy maximum precision with DualCut technology, which includes 2 x more blades. The steel blades lightly brush against one another, sharpening themselves as they work. This results in blades sharp as on day 1 after 5 years of use.

## Metal trimmer

Use the metal trimmer with DualCut technology without a comb to get clean, sharp lines around your beard, neck and hairline, or to trim your body hair to a minimum length.

## Bodyshaver with skin protector

Shave comfortably below the neck with our bodyshaver. Our unique skin protector system guards even your most sensitive body areas, allowing you to comfortably shave hair as close as 0.5 mm.

## Precision shaver

Use the precision shaver after trimming, to perfect the edges of your cheeks, chin and neck.

## Wide hair clipper

Quickly create your own hair style. The extra wide 41 mm hair clipper cuts through more hair per stroke.

## Detail metal trimmer

Create fine lines, contours and details with precision, to define or change your style.

## Nose and ear trimmer

Remove unwanted nose and ear hair, easily and comfortably.

## 11 Impact-resistant combs

2 stubble combs (1, 2 mm), 1 adjustable beard comb (3-7 mm), 4 wide hair combs (4, 9, 12, 16 mm), 2 fading hair combs (left, right) and 2 body combs (3, 5 mm).

## 6 hour runtime

Our most powerful Lithium-ion rechargeable battery delivers up to 6 hours of runtime per charge.

# Specifications
