

Philips PowerGo
Vacuum cleaner with bag

AAA Energy Label
Allergy friendly
ECARF certified

FC8243/09

High performance on all floors

Allergy Filter traps fine dust and allergens

The Philips PowerGo vacuum cleaner delivers top cleaning performance with an AAA energy label. Keep the air in your home clean and healthy, too, thanks to our Allergy Filter that traps 99.9%+ of harmful particles.

Remarkable results

- High performance with 3AAA energy ratings

Allergy friendly

- Allergy Filter captures 99.9% of particles – ECARF certified
- Easy s-bags last up to 50% longer

Effortless cleaning

- Long 9-meter reach goes further without unplugging
- Large 3-liter capacity means fewer bag changes
- Onboard accessories are always at hand
- Adjustable suction power for every cleaning task
- Telescopic tube comfortable cleaning

Highlights

3AAA Energy rating

Engineered to achieve full performance with an A rating for energy efficiency, A on hard floor cleaning performance and A on dust re-emission.

Certified Allergy Filter

Our clean-air filter system captures 99.9% of fine dust – including pollen, pet hair and dust mites – for allergy sufferers and anyone demanding a higher level of hygiene. Certified allergy friendly by ECARF.

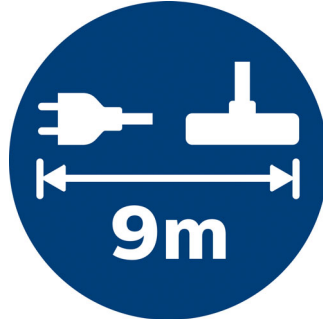

Easy, long-lasting bags

S-bags last up to 50% longer and maintain the full suction power of your vacuum cleaner right up to the moment it's full. One bag fits all

models, with a sealing mechanism for tidy disposal.

Long 9-meter reach

With a reach of 9 meters from plug to nozzle, it keeps you cleaning longer without unplugging.

Large 3-liter capacity

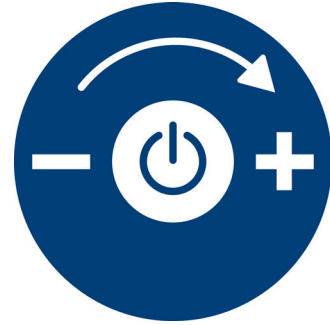

The large-capacity dust chamber handles a full three liters before the bag needs changing.

Handy onboard accessories

Accessories, like a handy crevice tool, are integrated onto the vacuum so they're always at hand while you clean.

Adjustable suction power

Choose the right level of suction for any cleaning task and every surface in your home.

Telescopic tube for comfort

A 2-piece, telescopic metal tube adjusts quickly to any height for comfortable cleaning.

Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.
