PHILIPS

Wet & Dry epilator

For legs, body and face 8 accessories, Cordless and Rechargeable, S-shaped handle design

BRE650/00

Highlights

Ergonomic S-shaped handle

The ergonomic S-shaped handle is easy to steer for maximum control and better reach with natural and precise movements, all over your body.

Micro ridged ceramic discs

Our epilator head is unique in being made from a rough ceramic material that grabs hair firmly, even fine hairs won't slip from its grip.

Widest epilation head

Widest epilation head for optimal hair removal in one stroke for long lasting results.

Patented epilation system

All of our Philips epilators have a unique system where the tweezers lift and gather the lying hair, guide them to the pulling point firmly grabbing and pulling out the hair. Combined with the unique round ceramic discs it epilates closer to the skin for optimal results and more gentleness.

Wet and dry use

For a gentle and comfortable use during your shower or bath routine with anti slip grip for optimal wet and dry use.

Opti-light

Unique light ensures you don't miss fine hairs for best epilation results for all body parts.

Body care heads

Body care heads will bring more personalized and convenient solutions to her individual beauty routine for hair removal and beyond.

Body Massager

Our new Body Massager reaches the deeper layers of the skin to relax and deliver a radiant looking skin.

Body exfoliation brush

Our new Body exfoliation brush removes dead skin cells. The hypo-allergenic 48.200 fine bristles gently yet effectively sweep away dead skin cells & stimulate the regeneration of the skin surface. This device will exfoliate your skin more effectively than manual treatment alone.

Shaving head and trimming comb

The shaving head and trimming comb provide close shave and more gentleness in different body areas.
