### Get Started

#### Charge the Battery

Your device is powered by a rechargeable battery. To charge, use the included wireless charger and a USB Type-C adapter (sold separately). Use only Samsung-approved chargers and accessories. Damage caused by use of accessories that are not approved by Samsung may not be covered by warranty.

### Get connected

Download the **Galaxy Wearable app** to connect your device and smartphone.

#### Activate your Galaxy Watch

The R905U, R915U and R925U are 4G LTE-enabled. Get texts, make and receive calls, even when you leave your phone behind. Consult your wireless carrier for details about activation.

### Band adjustment tips

(for models which include the D-Buckle Sport Band)

Open the magnetic buckle

Open the clasp and slide the end of the band.

Note: Gently pull the end of the strap to assist in opening the clasp.

Close the buckle

#### APPROVED FIRMWARE VERSIONS

This device will only operate with firmware versions that have been approved for use by your wireless carrier and the device manufacturer. If unauthorized firmware is placed on the device it will not function.

#### SAFEGUARDING DEVICES

We encourage customers to take appropriate measures to secure their devices and invite them to take advantage of the features available on this device to help secure it from theft and/or other unauthorized access and use. This device has a locking function (e.g., user-defined codes or patterns) that can serve as a first line of defense against unauthorized use or access to stored information. Preloaded security applications that allow customers to track or locate misplaced devices can be found on several devices. Lost or stolen devices should be immediately reported to your wireless carrier so that proper measures can be taken to protect accounts. For additional information, visit your wireless carrier's Privacy Policy.
