Guaranteed no burns*
1.8 L detachable water tank
Ultra-light iron

PSG7130/20

Fast ironing with automatic steam

Effortless ironing. Great results.

PerfectCare 7000 Series is designed for your comfort and convenience. With our new motion-sensor technology, powerful automatic steam is released when you start ironing. OptimalTEMP technology guarantees no burns on all iron-safe garments.

Extra convenient to use

- Automatic shut-off when iron is left unattended

Effortless ironing with fast results

- Iron effortlessly with automatic steam

Powerful performance

- SteamGlide Elite soleplate for ultimate gliding performance

Extra convenient to use

- Easy De-Calc to extend the lifetime of your iron

Powerful performance

- One ideal temperature setting for all ironable garments

PHILIPS

Steam Generator

Intelligent automatic steam Guaranteed no burns*, 1.8 L detachable water tank, Ultra-light iron

Highlights

Intelligent automatic steam

Our new motion sensor knows exactly when the iron is moving on your clothes and delivers powerful steam automatically. Relax and enjoy effortless ironing, while the iron does the steaming for you.

OptimalTEMP

With OptimalTEMP technology you achieve great results with one ideal temperature setting. We guarantee that this iron will never cause burns to any ironable fabric when it is left unattended. You can safely leave it resting on your clothes or ironing board.

Powerful steam

Strong, continuous steam for effective crease removal of even the most stubborn creases on the thickest fabrics.

No temperature setting needed

Iron everything from silk to jeans without adjusting the temperature and no burns guaranteed. Thanks to OptimalTEMP, no dial or settings are needed. So there's no more pre-sorting the laundry or waiting for the iron to heat up and cool down. You're ready for any fabric, anytime.

Lightweight iron

The iron is amazingly light and comfortable to handle, gliding easily and reducing wrist strain. Its minimal weight of only 800 g also makes it easy for vertical steaming of curtains and hanging clothes.

1.8 l detachable water tank

The 1.8-litre transparent water tank gives you up to 2 hours of continuous use. When the water tank is empty, you will be reminded by the indicator light to refill at any time, which you can easily do under the tap through the large filling door.

PSG7130/20

SteamGlide Elite soleplate

SteamGlide Elite is our best soleplate for ultimate gliding performance and maximum scratch resistance. Its stainless steel base is twice as hard as a regular aluminium base, and our patented 6-layer coating with advanced titanium layer glides effortlessly for the fastest results.

Easy De-calc

Regular descaling protects your iron, extends its lifetime and ensures the best steam performance. Our exclusive Easy De-Calc system collects limescale continuously with an indicator light to tell you when it needs emptying. Simply remove the plug and let the water and scale particles flow out.

Auto-shut off

Auto-shut off to save energy and for peace of mind.

Specifications

Easy to use

- Water tank capacity: 1800 ml
- Heat-up time: 2 min
- Safe on all ironable fabrics
- Soleplate: SteamGlide Elite
- Detachable water tank
- Low water alert
- Refill anytime during use
- Tap water suitable

General specifications

- Hose length: 1.7 m
- Hose storage: Compartment
- Power cord length: 1.65 m
- Power cord storage: Velcro fix
- Warranty: 2 year worldwide guarantee
- Energy saving: 20%

Technology

- DynamiQ technology: 1st generation
- OptimalTEMP technology

Fast crease removal

- Continuous steam rate: Up to 120 g/min
- Pressure: Max 8.0 bar
- Power: Max 2100 W
- Steam boost: Up to 600 g
- Voltage: 220 - 240 V

Scale management

- Descaling and cleaning: Easy De-calc Plus
- Calc clean reminder: Light

Size and weight

- Packaging dimensions (W x H x D): 31.5 x 31.5 x 47.5 cm
- Weight of iron: 0.8 kg
- Product dimensions (W x H x D): 24 x 27.5 x 42 cm
- Total weight with packaging: 5.3 kg
- Weight of iron + base: 3.85 kg
