

UE700 Pro USB Flash Drive

SPEED THINGS UP IN STYLE

UE700 Pro USB Flash Drive

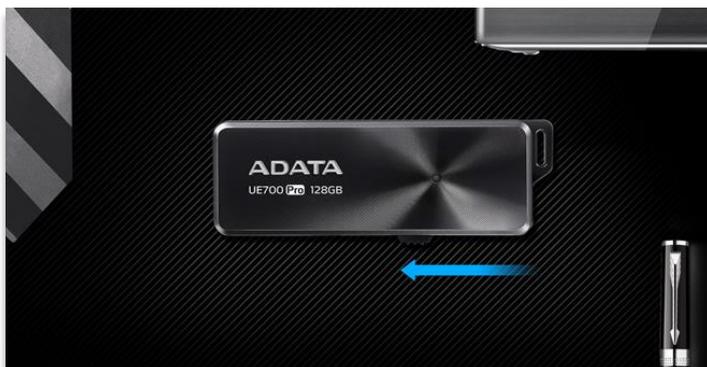

Speed things up with the ADATA UE700 Pro USB flash drive featuring up to 128GB of storage capacity. It sports an ultra-thin 7mm form factor and a brushed aluminum surface that highlights the sleek concentric lines that emanate from the beautiful blue LED indicator.

Quick-Slide Capless Design

The USB connector is concealed in a compact body, fully protected without the need for a drive cap. A simple thumb swipe forward makes it ready to use, and the reverse motion stows the connector for storage or travel.

Use it with Your Game Console

The UE700 Pro can be connected to game consoles and be used as backup storage for games that are not currently being played.

Ultra-Thin 7mm Form Factor

At a mere 7mm thin, the UE700 Pro is slim, compact, and easy to carry around with you.

No More Limits with More Capacity

In an era of 4K videos and high-resolution photos, you can never have too much storage capacity. With more storage, you can capture hi-res photos and videos without fear of running out of space.

 42,500 Photos
(Size: 3MB)

 64 Hours
(1920x1080)

 33,250 Songs
(4min/128Kbp)
