

Philips PowerPro Expert  
Bagless vacuum cleaner

**AAA Energy Label**  
Allergy filter  
2L

**FC9729/09**

## Engineered for superior dust pick-up\*

Ensures fine dust is trapped with Allergy Lock

The Philips PowerPro Expert is engineered for superior cleaning with powerful suction power. PowerCyclone 8 technology and our TriActive nozzle deliver top results on any floor.

### Superior performance

- High performance with 3AAA energy ratings
- PowerCyclone 8 technology separates dust from air
- The TriActive nozzle applies 3 cleaning actions in one go
- Top-rated performance on hard floors

### Allergy friendly

- Allergy Lock traps dust inside
- Allergy filter for 99,95% filtration
- Easily emptied with one hand to control dust

### Effortless cleaning

- Onboard accessories for always at hand accessories
- Soft brush integrated into handle for easy access

# Highlights

## 3AAA Energy rating

Engineered to achieve full performance with an A rating for energy efficiency, A on hard floor cleaning performance and A on dust re-emission.

## Powerful cyclonic action

Exclusive PowerCyclone 8 technology quickly accelerates air in the cyclonic chamber to separate out dust. The powerful swirling action maximizes airflow and performance for remarkable cleaning results.

## Top-rated on hard floors

This vacuum cleaner achieves a Class A rating for cleaning performance on hard floors. That means it picks up 100% of dust in its path.

## TriActive nozzle

The TriActive nozzle applies 3 cleaning actions in one go: 1) It gently opens the carpet with its specially designed soleplate to remove the dust deep down. 2) It sucks up big bits with its larger opening at the front. 3) It picks up the dust and dirt closely alongside furniture and walls with its left and right side air channels.

## Allergy Filter

Our clean-air filter system creates a perfect seal and captures 99.9% of fine dust – including pollen, pet hair and dust mites – for allergy sufferers and anyone demanding a higher level of hygiene.

## Simple and tidy to empty

The dust container detaches with one hand and controls dust with its unique shape and smooth surface.

## Onboard accessories

Onboard accessories for always at hand accessories

## Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.

# Specifications

## Performance

- Energy efficiency rating: A
- Airflow (max): 41 l/s
- Input power (max): 650 W
- Sound power level: <76 dB
- Carpet cleaning class: C
- Dust re-emission class: A
- Hard floor cleaning class: A

## Nozzles and accessories

- Accessory storage: On board
- Standard nozzle: TriActive nozzle
- Accessories included: Crevice tool, Small nozzle, Integrated brush
- Additional nozzle: Hard floor nozzle

## Design

- Color: Monza Red

## Filtration

- Dust capacity: 2 L

- Exhaust filter: Allergy filter
- Motor filter: Lifetime washable filter

## Sustainability

- Packaging: > 90% recycled materials
- Stand-by power consumption: < 0,5 W
- User manual: 100% recycled paper

## Usability

- Action radius: 10 m
- Carrying handle: Top and front
- Cord length: 7 m
- Power control: Electronic on appliance
- Tube coupling: ActiveLock
- Tube type: Metal 2-piece telescopic tube
- Wheel type: Rubber

## Weight and dimensions

- Dimensions of product (LxWxH):  
505x292x292 mm
- Weight of product: 5,5 kg
