## Highest Suction Power\* with PowerCyclone 10

NanoClean technology for minimum dust exposure

The Philips Bagless Vacuum 9000 Series is our best performing vacuum cleaner. Advanced technologies are designed to tackle every type of floor. Enjoy ultimate cleaning performance with PowerCyclone 10 and TriActive Ultra nozzle.

### Superior performance

- PowerCyclone 10 delivers extreme suction power for longer
- TriActive Ultra nozzle captures dust and dirt from any floor
- Allergy H13 filter system captures >99.9% of fine dust
- Super Turbo brush, ideal for deep cleaning pet hair & fluff

### Effortless cleaning

- NanoClean Technology minimizes dust cloud
- Clean delicate items like furniture and upholstery
- ErgoGrip with Remote control for seamless use

# Highlights

## PowerCyclone 10 technology

Advanced PowerCyclone 10 technology has been engineered to maximize air flow with a powerful, swirling action to deliver an extreme suction power. Supreme accelerated air flow in the cylindrical chamber efficiently separates dust from the air, ensuring stronger suction power for longer, for best cleaning performance for all dirt types on all floors\*\*.

## TriActive Ultra nozzle

TriActive Ultra nozzle captures coarse and fine dust in one go and from all sides. The nozzle utilizes suction power for faster results every time and on any type of floor.

## NanoClean Technology

NanoClean technology minimizes dust clouds so your home and floors stay clean. Dust falls to the bottom of the container and does not stick to the sides. When it's time to empty, the dust and dirt simply slides out.

## Integrated brush

Dusting brush tool is built into the handle so it's always ready to use on furniture, flat surfaces and upholstery.

## Allergy H13 filter

Allergy H13 filter system catches >99.9% of fine dust particles - including pollen, pet hair and dustmites - ideal for allergy sufferers. Filtration level is equivalent to HEPA 13\*\*\*.

## Remote control

ErgoGrip handle is designed for comfort and efficiency so you can reach easily into tight spaces. Finish cleaning faster with control options to reduce power or turn off at the touch of a button.

## Super Turbo Brush

Super turbo brush deeply cleans carpets, rotating inside the nozzle to easily remove pet hair, fluff and even the smallest dust particles resulting in better cleaning performance. Ideal for pet owners.

# Specifications

## Performance

Input power (IEC): 899 W  
Sound power level: 77 dB

## Usability

Action radius: 11 m  
Carrying handle: Top and front  
Cord length: 8 m  
Dust full indicator  
Tube type: Metal 2-piece telescopic tube

Wheel type: Rubber

Tube coupling: SmartLock  
Power control: Remote control

## Design

Color: Full Black

## Filtration

Dust capacity: 2.2 L  
Exhaust filter: Allergy H13 filter

## Nozzles and accessories

Accessories included: Crevice tool, Small nozzle, Integrated brush  
Accessory storage: On handgrip  
Extra accessories: Super Turbo brush  
Standard nozzle: TriActive Ultra nozzle

## Weight and dimensions

Weight of product: 6.2 kg
